Singapore Healthcare Supply Chain Management Congress 2015

Singapore Healthcare Supply Chain Management Congress 2015

Facilitating transformation with supply chain management

The *Singapore Healthcare Supply Chain Management Congress 2015* hosted by SingHealth's Group Procurement Office (GPO) is an annual event bringing together global healthcare leaders as well as experts in key areas of Supply Chain categories.

Participants will have the opportunity to network, share and discuss the best practices, challenges and to also look at new benchmarks.

Why attend?

- To access the guidance from recognised thought leaders from the healthcare Supply Chain Organisations
- To connect with your peers for best practices
- To discover and understand what technologies are available through product exhibitions

**programme is subject to changes*
