Excited to welcome Prof. Keith B. Carter to the CHRO Nexus Forum 2025!

As the CEO of KDA Capabilities and founder of JustAskProf, Keith is a global thought leader in AI, data-driven leadership, and digital transformation.

Formerly a professor at the NUS Business School and author of Actionable Intelligence, Keith brings powerful insights on how organizations can drive real business results through innovation and smart data strategies.

We can't wait to learn from his experience at this year's forum!

Thank you so much for your invitation, I'm looking forward to coming over! I'll be sharing about how you can save 5 to 25 hours out of your work week. What would you do with that?
